MOIL celebrates 34th MEMC week 2023-24

The 34th Mines Environment and Mineral Conservation Week (MEMC) 2023-24, organised under the aegis of Indian Bureau of Mines, Nagpur Region, is underway from December 10th to December 16th, 2023. MOIL Limited, Nagpur, serves as the host company, with 36 Metalliferous Mines from the Nagpur Region actively participating. The "Flag off Day" marked the commencement of various inspection teams heading to the Group of Mines, attended by the Patron of the MEMC Week council, Shri G. Ram, DCOM/RCOM Incharge, IBM, Nagpur, the observer Shri O.P. Gopal, RMG, IBM, Nagpur, and Shri P. Karaiya, Executive Director (Technical) of MOIL. The event was also graced by officers from IBM, Nagpur Region, MOIL executives, Vice President of Cement Industries, and the Owners, Agents, and Managers of various mines.
