Dear Sir/Madam,

In terms of Regulation 30 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, we are enclosing herewith a copy of the press release titled “**MOIL Recorded best ever July production in July’23**” issued to the press.

This is for your kind information please.

Thanking you,

Yours faithfully,
For MOIL Limited

N.D. Pandey
(Company Secretary & Compliance Officer)

MOIL Recorded best ever July production in July'23

Registers a growth of 71 % y-o-y

Despite the challenge of heavy rainfall, MOIL has been able to maintain its production tempo and achieved its highest-ever July production since inception in July 2023. With manganese ore production of 1.20 lakh tonnes during July, 2023, a remarkable growth of 71% has been registered compared to corresponding period last year (CPLY).

On sales front also, MOIL has achieved best-ever July sales of 0.94 lakh tonnes in July 2023, registering an impressive growth of 69% over CPLY.

CMD, Shri Ajit Kumar Saxena, once again congratulated MOIL collective for their achievements and expressed happiness over the sustained efforts being made to enhance production resulting in best July performance, despite adverse weather conditions.

About MOIL: MOIL Limited is a Schedule-A, Miniratna Category-I CPSE under the administrative control of Ministry of Steel, Government of India. MOIL is the largest producer of manganese ore in the country, contributing ~45% of the domestic production. It operates ten mines in the state of Maharashtra and Madhya Pradesh. The company has ambitious vision of more than doubling its production to 3.50 million tonnes by 2030. MOIL is also exploring business opportunities in the State of Gujarat, Rajasthan, Chhatisgarh and Odisha, besides other areas in the State of Madhya Pradesh.
